

Have you heard?

New Health Care Coverage for Adults

Starting January 1, 2019, more adults living in Virginia now have access to quality, low-cost and no-cost health insurance. The new coverage includes hospital stays, doctor visits, preventive care, prescription drugs and much more!

The rules have changed! So, if you applied for Medicaid in the past and were denied, you may now be eligible. Applications are accepted year-round. There is no open enrollment period.
