Welcome to FAMIS MOMS!

Pregnancy is an exciting time in any parent's life. It's a time of change, growth, discovery and many questions. To help you during your pregnancy and for the health of your baby, the FAMIS MOMS health insurance program will provide you with health care and dental coverage during your pregnancy and for two months after the birth of your baby. The program is administered by the Virginia Department of Medical Assistance Services (DMAS) and is funded by the state and federal government.

You should read this handbook from the beginning to the end to find out what you need to do to receive the covered services and benefits offered to FAMIS MOMS. This handbook contains important information about what you need to know to make sure you get the prenatal and postpartum care that is important for you and your baby. It also provides information about how to get your baby covered by FAMIS after the birth so your infant will receive the medical care he or she needs.

What Should You Expect to Receive from FAMIS MOMS?

- ✓ You will receive a Commonwealth of Virginia health insurance ID card;
- ✓ You will also be enrolled in a managed care organization (MCO) and receive an MCO member ID card.

I. FAMIS MOMS

A. When Should I Contact FAMIS MOMS?

1. **CHANGE OF ADDRESS** – You should always report any change in your address, so we can send you important information regarding your health insurance coverage. You **must report** to us if you move out of Virginia.
2. **PREGNANCY END DATE** – You must contact us if your expected delivery date changes or if your pregnancy ends early.
3. **COVERAGE FOR YOUR BABY** – Once your baby is born, he or she is automatically eligible for health insurance for the first year of life. **Please let us know as soon as your baby is born** so we can determine whether the baby will be covered under FAMIS or FAMIS Plus (children's Medicaid). When your child is born you need to call Cover Virginia at 1-855-242-8282 or contact your Department of Social Services worker to immediately enroll your newborn. All we need is the baby's name, date of birth, race, gender, and Mother's name and ID number to get the infant enrolled immediately. Though not required, if you have the baby's social security number, please provide that too.
4. **CHOOSE OR CHANGE YOUR MCO** – Once enrolled in FAMIS MOMS, you will receive your health care from a managed care organization (MCO) (see page 5 for more information). Once you are enrolled in an MCO, you will be asked to select a primary care provider (PCP). If you do not choose a PCP,

1-855-242-8282

www.coverva.org

one will be chosen for you. If you are unhappy with your PCP, you may call your MCO. If you are unhappy with your MCO, you may call Cover Virginia to change to another MCO in the area. You must call within the first 90 days of enrollment with that MCO. After 90 days, you will remain with that MCO until the end of your pregnancy and postpartum care. If you have any questions, call Cover Virginia at 1-855-242-8282.

5. REQUEST TO CANCEL FAMIS MOMS – If your situation changes and you no longer want FAMIS MOMS, we must have your request to cancel coverage in writing. Please contact your local Department of Social Services or call 1-855-242-8282 for help locating your local Department of Social Services.

B. How long will FAMIS MOMS provide medical coverage?

FAMIS MOMS coverage will last for two months following the end of your pregnancy, unless:

- you move out of Virginia, or
- you request in writing that the FAMIS MOMS coverage be stopped.

If none of the above changes happen, you will remain covered by FAMIS MOMS for two months following the end of your pregnancy.

Income changes do not affect FAMIS MOMS eligibility. However, if your income goes down, you may be eligible for Medicaid. **If your income decreases and you would like to apply for Medicaid, please contact your local Department of Social Services or call Cover Virginia at 1-855-242-8282.**

You may be eligible for family planning services following the birth of your child. Call 1-855-242-8282 to ask about Plan First.

When your FAMIS MOMS coverage ends and if your employer offers an employer sponsored health plan, **you do not need to wait until open enrollment to apply.** End of FAMIS MOMS coverage is considered a “qualifying event” as long as you apply within 60 days of your FAMIS MOMS coverage ending. Just provide a copy of your cancellation notice to your employer.

C. How will I receive services from FAMIS MOMS?

First, you will need to choose a doctor or clinic that provides services to pregnant women. The provider must accept FAMIS MOMS. Any provider who takes Medicaid is also a FAMIS MOMS provider. If you have any questions about which providers you can use, call 1-855-242-8282.

When enrolled in an MCO, you must use providers in that MCO’s network of providers. For a listing of providers in your MCO, contact your MCO’s member services helpline (See the listing of MCOs on page 7).

1. **Health Insurance Card**

All FAMIS MOMS enrollees will receive a blue and white Commonwealth of Virginia health insurance ID card. Do not lose or throw away this card. You will also receive a separate member identification (ID) card from the MCO.

You should show the Commonwealth of Virginia ID card and the MCO ID card to providers each time medical services are received. Failure to present the card/s when services are received may result in your paying out of pocket for the services. When you receive your Commonwealth of Virginia ID card, check the information on it to be sure it is correct. If it is not correct, you must inform Cover Virginia of any needed changes or corrections immediately.

If you lose the Commonwealth of Virginia health insurance card or it is stolen, call Cover Virginia at 1-855-242-8282 or contact your local Department of Social Services for a replacement card. Never lend either the Commonwealth of Virginia health insurance card or the MCO ID card to anyone. If you lose your MCO ID card, please call your MCO.

2. **Fee-for-Service coverage**

When you are first enrolled in FAMIS MOMS, you can access health care through the FAMIS MOMS fee-for-service program for pregnant women. As an enrollee, you can see any provider in the FAMIS MOMS fee-for-service network. You will use the fee-for-service program for one to two months prior to being enrolled in an MCO (see #3 below). Before you schedule an appointment or before you get a prescription filled, ask the doctor, clinic, hospital, pharmacy or mental health provider if they accept FAMIS MOMS. **(Any provider who takes Medicaid is also a FAMIS MOMS provider.)** There are no co-payments in FAMIS MOMS for pregnancy related services. However, there may be small co-payments for non-pregnancy related services.

Please contact Cover Virginia at 1-855-242-8282 for more information.

3. **Managed Care Plans**

If you chose a managed care organization (MCO) during the application process, you will be enrolled in that plan. If you have not chosen an MCO, please call Cover Virginia at 1-855-242-8282. If you do not choose an MCO, one will be chosen for you. Any provider who accepts Medicaid will also accept FAMIS MOMS. Once you are enrolled with an MCO plan, select a primary care provider (PCP) from the network of PCPs available in your MCO. You may access services directly from an OB/GYN provider within the MCO's network of participating providers for both pregnancy and non-pregnancy related services.

Once you are enrolled in the MCO, you will receive an MCO member ID card, a member handbook, and a provider directory from the MCO. You will also have additional benefits when you belong to an MCO. These benefits include case management, health education and disease management services, skilled nursing services, chiropractic care and a 24-hour nurse access telephone line. Please consult your MCO handbook for additional member benefits. You will only receive one MCO ID card and one Commonwealth of Virginia health insurance card for yourself, so do not lose or throw away either card. The MCO ID card will include the name of your PCP and telephone number, and your MCO identification number. If you lose your MCO ID card, call the MCO to request a new one. Keep the MCO ID card with your Commonwealth of Virginia health insurance card. **Always show both your MCO ID card and Commonwealth of Virginia health insurance card when you receive medical services.**

If you are unhappy with your PCP, you may call your MCO at any time to change your PCP. If you are unhappy with your MCO, you may call Cover Virginia at 1-855-242-8282 to change to another MCO in the area. It may take up to 45 days for you to be moved into a new MCO. You must call within the first 90 days of enrollment with that MCO. After 90 days, you will remain with that MCO until the end of your pregnancy and postpartum care. If you have questions, call Cover Virginia at 1-855-242-8282.

MCOs administering FAMIS MOMS in Virginia serve different parts of Virginia. You may call Cover Virginia at 1-855-242-8282 or go to the website www.coverva.org to find out which MCOs are offered in your area. If you are enrolled in an MCO and have questions or concerns about receiving services, contact your MCO at:

- **Aetna Better Health of Virginia** **1-800-279-1878**
- **Anthem Healthkeepers Plus** **1-800-901-0020**
- **Megellan Complete Care** **1-800-424-4518**
- **Optima Family Care** **1-800-881-2166**
- **United Healthcare Community** **1-844-752-9434**
- **Virginia Premier Elite** **1-800-727-7536**

For an updated list of MCO's and contact information, visit coverva.org.

4. Out-of-State Coverage

FAMIS MOMS receiving fee-for-service. FAMIS MOMS covers emergency medical services while an enrolled woman is temporarily outside of Virginia, if the provider of care agrees to participate in Virginia's FAMIS MOMS program and to bill DMAS for the services provided. FAMIS MOMS does not cover medical care provided outside of the United States.

FAMIS MOMS enrolled in managed care organizations (MCOs). MCOs cover emergency medical services while an enrolled woman is temporarily outside of Virginia, if the provider of care agrees to bill the MCO and

accepts the MCO reimbursement for the services provided. The provider should contact the enrollee's MCO. MCOs do not cover medical care provided outside of the United States.

D. What do I pay for FAMIS MOMS?

There are no monthly premiums for FAMIS MOMS coverage and there are no co-payments for pregnancy related services. If you have a medical issue not related to your pregnancy, a small co-payment may apply.

II. Covered Services:

The services listed below (in alphabetical order) are covered by FAMIS MOMS when related to pregnancy. Certain other services may be covered within limitations. Some services require prior authorization. * Some exceptions may apply.

- **Abortion Services** - FAMIS MOMS covers abortions only if necessary to save the life of the mother.
- **Ambulance** - FAMIS MOMS covers ambulance services for emergencies when used locally to transport to or from a medical facility or provider's office.
- ***BabyCare** - provides pregnant women with the support and services they need through intensive case management and coordination of care. The program aims to improve birth outcomes by ensuring pregnant women and infants up to age two, receive services such as transportation, prenatal care, medication, nutritional counseling, substance abuse treatment, smoking cessation classes, child development education, or homemaker services.
- **Case Management Services** - FAMIS MOMS will cover case management services for high-risk pregnant women. Talk with your doctor or managed care organization regarding these services.
- **Clinic Services** - FAMIS MOMS covers these services when they are provided by health centers or by other ambulatory health care centers.
- **Community Mental Health Rehabilitative Services** - Community Mental Health Services include community rehabilitation mental health services, including intensive in-home services, case management services, day treatment, and 24-hour emergency response.
- **Dental Services** - FAMIS MOMS receive dental services through the *Smiles For Children* program. There are no costs for dental care services. If you are in fee-for-service use your Commonwealth of Virginia health insurance card or if enrolled in a managed care organization use your MCO ID card. You will receive a *Smiles For Children* member handbook. The handbook will describe the dental services that are covered and provide a list of dental providers. Contact *Smiles For Children* at **1-888-912-3456** if you have questions about dental services and need help finding a dentist or making an appointment.

- ***Durable Medical Supplies and Equipment** - FAMIS MOMS covers durable medical equipment and other medically related or remedial devices and supplies.
- **EPSDT - FAMIS MOMS under the age of 21** are eligible to receive EPSDT (Early and Periodic, Screening, Diagnosis and Treatment) services. EPSDT is a preventive children's health program aimed at assessing children's health problems through periodic examinations. There are no costs for EPSDT services. If you are in fee-for-service, use your Commonwealth of Virginia health insurance card or if enrolled in a managed care organization use your MCO ID card.
- **Home and Community-Based Health Care** - FAMIS MOMS covers nursing services, home health aides, physical therapy, occupational therapy, and speech, hearing and inhalation therapy.
- ***Hospital Care** - FAMIS MOMS covers confinement in a semi-private room or intensive care unit. Ancillary charges are included. Hospital admissions must be pre-authorized.
- **Hospital Emergency Services** - FAMIS MOMS covers emergency room treatment and services for life-threatening conditions.
- ***Inpatient Mental Health Services** - FAMIS MOMS covers services furnished in a psychiatric unit of a general acute care hospital.
- **Laboratory and X-ray Services** - FAMIS MOMS covers outpatient diagnostic tests, X-rays, and laboratory services when performed in a physician's office, hospital, independent or clinical reference lab.
- ***Nursing Services** - FAMIS MOMS covers the services of a nurse practitioner, nurse midwife, advanced practice nurse, pediatric nurse and respiratory care services in a home, school or other setting.
- **Outpatient Care** - FAMIS MOMS covers outpatient services including emergency services, surgical services and professional services provided in a physician's office or outpatient hospital department.
- **Outpatient Mental Health Services** - FAMIS MOMS covers services furnished in a community-based setting. Medically necessary visits with a licensed mental health professional are covered each benefit period.
- **Physician's (Doctor's) Services** - FAMIS MOMS covers physician's services received while hospitalized, or in a physician's office, or in an outpatient hospital department.
- **Prescription Drugs Ordered by a Physician** - FAMIS MOMS covers outpatient prescription drugs. Prescriptions must be filled using a generic drug. If you choose the brand when a generic is available, you are responsible for the co-payment **plus 100%** of the difference between the allowable charge of the generic drug and the brand drug.

- **Surgical Services** - FAMIS MOMS covers surgical services provided during a hospital admission, or in a physician's office or in an outpatient hospital department.
- **Transportation Services** - FAMIS MOMS will cover emergency and non-emergency transportation for access to and from providers of covered medical services for pregnant women.
 - **Emergency Ambulance Transportation** - is a covered service for FAMIS MOMS enrollees with emergency conditions such as heart attacks and other life-threatening injuries. Emergency ambulance transportation coverage is not available for FAMIS MOMS with conditions such as minor abrasions, lacerations, bruises, fever, normal labor pains, headaches, intoxication, and other similar non-life-threatening conditions.
 - **Non-Emergency** - is provided to FAMIS MOMS through LogistiCare for routine or non-emergency care when no other transportation is available. LogistiCare will pre-authorize the trip and assign it to a transportation provider who transports you to and from the FAMIS MOMS covered service provider. To arrange your transportation needs, contact LogistiCare customer service at **1-866-386-8331**. If you are enrolled in an MCO, contact your MCO for more information about transportation.

***See the managed care organization's member handbook for specific information on the covered services and if require prior authorization is required. If you have additional questions about covered services, contact your managed care organization directly. For telephone numbers to managed care organizations see page 6.**

III. Other Programs and Services:

A. Women's and Infants Care (WIC)

Now that you are a FAMIS MOMS enrollee, you may be financially qualified to participate in the Virginia WIC Program! The income limit for eligibility in the WIC program is 185% FPL (federal poverty limit).

WIC stands for Women, Infants, and Children, and is a nutrition program for women who are breastfeeding, pregnant or have just given birth, infants less than one (1) year-old and for children less than five (5) years old. WIC provides nutrition education, private and group sessions with a nutrition expert, support and help with breastfeeding, as well as access to healthy foods. WIC can help you have a healthier pregnancy, and even help your baby develop.

To qualify for WIC benefits, you must also be at nutritional risk. A doctor, nurse or WIC nutritionist can tell you if you are at risk. For more details regarding eligibility and benefits, contact WIC at 1-888-942-3663.

B. Resource Mothers

Resource Mothers provides guidance and assistance to pregnant teens until baby's first birthday. Supportive services include assisting teens with early entry into prenatal care, keeping medical appointments, encouraging healthy eating, developing parenting skills, improving communication skills between the teens and their families and partners and teaching preventive health behaviors. The program also assists with mentoring, transportation to appointments and assistance with obtaining help in the community. Contact the Virginia Department of Health at 804-864-7673 for more information or check their website: www.vdh.virginia.gov.

C. Plan First

Plan First is Virginia's family planning program for women and men who are not eligible for full benefits with FAMIS or Medicaid. Plan First covers birth control services for those whose income is at or below 200% of the Federal Poverty Guidelines and who meet citizenship and residency requirements. Since you qualified for FAMIS MOMS, you may qualify for Plan First! Call Cover Virginia for more information 1-855-242-8282 or check the website www.coverva.org

D. Text4baby

Text4baby sends timely messages and reminders for pregnant women and new mothers to your cell phone. These text messages cover topics like prenatal care, baby health and safety, parenting, and more. It is free as long as your cell phone service is with a participating carrier; most commonly used carriers participate. Text messages are free – even if you don't have a texting plan. For more information, to see sample messages, or to sign up for Text4baby, go to <https://www.text4baby.org/>

E. Bright Futures

Bright Futures Virginia offers guidance to parents starting before your baby is born, through their late teenage years. It includes information about child development, what to expect during health care visits, and how to talk to your child's doctor about any concerns you have. This information is easily accessible on short videos and printable handouts – visit the website: <https://www.vdh.virginia.gov/brightfutures/>

F. Home Visiting

There are a number of programs around the state that help families with young children by visiting them at home. These programs may have nurses, community outreach workers, parent educators, social workers, or other professionals. Services may include coordinating medical appointments, finding needed resources in the community or at the state level, strengthening parents' skills, or helping children learn new tasks. Most services are free.

Where these programs are located, eligibility for participating, and the specific services offered, varies by program. To learn more about the programs and if available where you live:

<https://earlyimpactva.org/directory/>

IV. What you need to know about prenatal care

A. Prenatal Care

The objective of prenatal care is to monitor the health of the pregnant mother and baby. It is important to visit the doctor as soon as you suspect you are pregnant, even if you have already taken a home pregnancy test. At each visit the doctor will examine you. This examination includes: monitoring weight gain or loss, blood pressure, circumference of the abdomen, position of the baby and baby heartbeat. All of these things will be closely watched during your pregnancy. Remember to keep all appointments and ask your doctor to explain anything you do not understand.

B. Prenatal Tests

You will be given tests during your pregnancy to determine your overall health and the health of your unborn baby. Certain tests are routine and almost all pregnant women get these tests as part of their prenatal care. These tests are usually performed during the first prenatal visit with blood or urine samples and a PAP smear and are periodically checked during routine prenatal visits. Routine prenatal tests such as rhesus test, hemoglobin check, gonorrhea test, syphilis test, chlamydia test, rubella testing, human immunodeficiency virus counseling and testing (HIV), glucose tolerance test and/or hepatitis B virus screening. Other tests may include Ultrasound and fetal heart rate monitoring.

V. Accident Claims and Other Insurance Policies

FAMIS MOMS is designed to help pregnant women without comprehensive health insurance. Some types of accident, homeowners', or school insurance plans may provide limited health insurance coverage. If you are receiving health care insurance through FAMIS MOMS and are injured in any type of accident where another insurance company may pay for your medical or dental treatment, you are required to inform the Department of Medical Assistance Services (DMAS) Third Party Liability Unit so that payment may be recovered from the other insurance company. The information needed includes: your name and ID number, your phone number with area code, the date services were received, the name of the other insurance company, the policy number, and the name of the attorney, if any. Send the information to the following address:

Third Party Liability Unit
Dept. of Medical Assistance Services
600 E. Broad Street, Suite 1300
Richmond, VA 23219

1-855-242-8282

www.coverva.org

If the insurance company pays you after FAMIS MOMS has paid the same bill, you must also notify the Department of Medical Assistance Services (DMAS) Third Party Liability Unit at the address above.

When FAMIS MOMS has paid for services and it is later found another payment source was available, attempts will be made to recover the money from the other source.

VI. Complaints

If you have a complaint about FAMIS MOMS, you may call Cover Virginia at 1-855-242-8282. If you have questions about a billing issue or coverage of a claim, you may call the DMAS Recipient Helpline at (804) 786-6145.

If you need to register a complaint regarding a provider (such as a doctor, hospital, or pharmacy), you may call 1-800-533-1560.

If you have a complaint about a managed care organization (MCO), call or write directly to the MCO. You will find more information about filing complaints and requesting a review of MCO decisions (appeals) in the handbook that you will receive from your selected MCO. You may also register a complaint by calling the Managed Care Helpline at 1-800-643-2273.

For cases in which a provider indicates, or the MCO determines, that following the standard 90-day timeframe for reviewing a decision could seriously jeopardize the member's life or health or ability to attain, maintain, or regain maximum function, the MCO must make an expedited authorization decision and provide notice as expeditiously as the member's health condition requires and no later than three (3) working days after receipt of the request or service.

VII. Appeals

You have the right to appeal decisions that affect your eligibility for FAMIS MOMS and decisions that deny services.

A. Eligibility Appeals

You have the right to request an appeal of any action related to initial or continued eligibility for FAMIS MOMS. This includes delayed processing of your application, actions to deny your request for medical services, or an action to reduce or terminate coverage after your eligibility has been determined.

To request an eligibility appeal, notify DMAS in writing of the action you disagree with within 30 days of receipt of the agency's notice about the action. You may write a letter or complete an Appeal Request Form. Forms are available on the Cover Virginia website at www.coverva.org. Please be specific about what action or decision you wish to appeal. Please include: your name and ID number, your phone number with area code, and a copy of the notice about the action if you have it. Be sure to sign the letter or form.

Please mail appeal requests to:

**Appeals Division
Department of Medical Assistance Services
600 E. Broad Street
Richmond, Virginia 23219**

Telephone: (804) 371-8488
Fax: (804) 452-5454

For reduction or termination of coverage, if your request is made before the effective date of the action and the action is subject to appeal, your coverage may continue pending the outcome of the appeal. You may, however, have to repay any services you receive during the continued coverage period if the agency's action is upheld.

After you file your appeal, you will be notified of the date, time, and location of the scheduled hearing. Most hearings can be done by telephone. The Hearing Officer's decision is the final administrative decision rendered by the Department of Medical Assistance Services. However, if you disagree with the Hearing Officer's decision, you may appeal it to your local circuit court.

B. Denial of service by an MCO Appeal

Appeals for services denied by your MCO should be sent to the MCO. Once all MCO appeals are exhausted, you or your designee may request in writing an external review of the MCO's decision by an independent review organization.

Please mail external review requests to:

FAMIS External Review
c/o KePro
2810 N. Parham Road Suite 305
Henrico, VA 23294

Or via web at : www.DMAS.KEPRO.COM

Please include: your name and ID number, your phone number with area code, and copies of any relevant notices or information.

There are specific time frames for the MCO or DMAS to respond to a complaint or appeal. If your healthcare provider feels that these timeframes jeopardize your health, a decision will have to be made as soon as possible.

VIII. Fraud

Fraud is a deliberate withholding or misrepresentation of information to obtain FAMIS MOMS health insurance, or knowingly failing to report a change that requires reporting, such as moving out of state. It includes any act that constitutes fraud under Federal or State law. FAMIS MOMS fraud also occurs when a doctor or pharmacy bills for services that were not provided to a woman enrolled in FAMIS MOMS. The fraudulent receipt of FAMIS MOMS covered services by a person who is not eligible may result in criminal prosecution.

For individuals enrolled in managed care, a premium is paid each month to the MCO for the person's coverage. If you are not eligible for FAMIS MOMS because you did not report truthful information or failed to report required changes, you may have to repay the monthly premiums paid to your MCO. You may have to repay these premiums even if no medical services were received during those months.

If you have questions, please call the DMAS Recipient Audit Unit at (804) 786-0156 or email at: <mailto:RecipientFraud@dmas.virginia.gov>.

If you believe any type of fraud, abuse, or neglect has occurred including by a provider, MCO, or PCP, you should call the **Recipient Audit Unit Fraud and Abuse Hotline at 1-866-486-1971** or the Virginia Attorney General Medicaid Fraud Control Unit at 1-800-371-0824.

IX. Protection of Privacy

The Department of Medical Assistance Services (DMAS) and its contractors comply with federal requirements that guard patient privacy. For information about how DMAS protects patient privacy, you may visit the DMAS public web site at http://www.dmas.virginia.gov/Content_atchs/atchs/privacy-note.pdf, or call the DMAS HIPAA Office of Privacy & Security at 1-804-225-4460.

XI. Glossary of Terms

Authorized Representative – A person who is authorized in writing to conduct the personal or financial affairs for an individual.

CommonHelp – CommonHelp at www.commonhelp.virginia.gov is the online website where individuals and families can apply for Medicaid, FAMIS and other benefits. It is provided through the Virginia Department of Social Services.

Cover Virginia – Virginia's statewide customer service center providing information and assistance for FAMIS, Medicaid, Plan First and other insurance options. The Cover Virginia statewide customer service center at 1-855-242-8282 is staffed by knowledgeable and courteous representatives who can provide confidential application assistance and program information. You can apply, report changes, receive application status updates or renew your child's coverage by calling Cover Virginia.

Coverva.org – Cover Virginia website providing information about FAMIS, Medicaid, Plan First and other state and federal health insurance options. Coverva.org includes an eligibility screening tool and easy access to all the ways to apply for coverage as well as links to other health resources and assistance

DMAS - Department of Medical Assistance Services, the agency that administers the FAMIS, FAMIS Plus, FAMIS MOMS, and Medicaid programs in Virginia.

DSS – Department of Social Services, the agency responsible for determining eligibility for medical assistance and the provision of related social services. This includes the local Department of Social Services.

Eligibility Worker – Eligibility worker at the local Department of Social Services who reviews your FAMIS, FAMIS MOMS or Medicaid case to determine if you are eligible. This is the person you would contact regarding changes, such as your address or income, or problems, such as not receiving your FAMIS and Medicaid card.

FAMIS - Is a comprehensive health insurance program for uninsured children from birth through age 18. FAMIS is administered by the Virginia Department of Medical Assistance Services (DMAS) and is funded by the state and federal government.

FAMIS MOMS - Provides enrollees the same coverage that pregnant women currently receive from the Virginia Medicaid program. There is no difference in covered services, service limitations, and pre-authorization requirements. FAMIS MOMS will use the same health care services delivery system (fee for service and managed care organizations) as FAMIS.

Local Department of Social Services (LDSS) – The city or county DSS office responsible for the management of your FAMIS case. It can be found at: <http://www.dss.virginia.gov/localagency/index.cgi>

Managed Care Organization (MCO) - Is an organization that contracts with DMAS to provide, arrange for, deliver, pay for, or reimburse any of the costs of health care services for Medicaid, FAMIS, FAMIS Plus, and FAMIS MOMS enrollees.

Medicaid - A health insurance program that helps pay for medical care for certain individuals and families with low incomes and resources, if applicable.

Primary Care Provider (PCP) - The doctor or clinic that provides most of your health care needs, gives you referrals to other health care providers when needed, and monitors your health. A PCP may be an internist, a pediatrician (children's doctor), OB/GYN (women's doctor), family doctor or certain clinics and health departments.

Smiles For Children - Is Virginia's dental program for children and pregnant women enrolled in Medicaid, FAMIS, FAMIS MOMS and FAMIS Plus.

Remember-
It's important that we are able to reach you.

If you move or your phone number changes you should always report the change by:

Calling Cover Virginia toll-free at – **1-855-242-8282**

Or

Visiting CommonHelp at www.commonhelp.virginia.gov

Or

Contacting your local Department of Social Services

FAMIS MOMS is a program of the Commonwealth of Virginia
