STEP 2 Tell us about your family.

Who do you need to include on this application?

Tell us about all the family members who live with you. If you file taxes, we need to know about everyone on your tax return. (You don't need to file taxes to get health coverage).

DO Include:

- Yourself
- Your spouse
- Your children under 21 who live with you
- Married or unmarried parents (of a child under 21) living in the home
- Anyone you include on your tax return, even if they don't live with you
- Anyone else under 21 who you take care of and lives with you

You DON'T have to include:

- Your unmarried partner if you don't have children together in the home
- Your unmarried partner's children
- Your parents who live with you, but file their own tax return (if you're over 21)
- Other adult relatives who file their own tax return

The amount of assistance or type of program you qualify for depends on the number of people in your family and their incomes. This information helps us make sure everyone gets the best coverage they can.

Complete Step 2 for each person in your family. Start with yourself, then add other adults and children. If you have more than 2 people in your family, you'll need to include copies of the Additional Person single page supplement form and attach them. You don't need to provide immigration status or a Social Security Number (SSN) for family members who don't need health coverage. We'll keep all the information you provide private and secure as required by law. We'll use personal information only to check if you're eligible for health coverage.

Renewal of coverage in future years

To make it easier to determine my eligibility for help paying for health coverage in future years, I agree to allow the Medicaid or FAMIS programs or the Marketplace to use income data, including information from tax returns. I understand that I will receive notification of the outcome of my renewal. I understand that I can opt out at any time.

- I'm signing this application under penalty of perjury which means I've provided true answers to all the questions on this
 application to the best of my knowledge. I know that I may be subject to penalties under federal law if I provide false and or
 untrue information.
- I understand that I am authorizing the local Department of Social Service (LDSS) and the Department of Medical Assistance Services (DMAS) to obtain verification/information necessary to determine my eligibility for Medicaid or FAMIS.
- I understand that Medicaid and DMAS contractors may exchange information relating to my coverage with LDSS to assist with application, enrollment, administration and billing services.
- I understand that for individuals enrolled in managed care, a premium is paid each month to the MCO for the person's coverage. If the child or pregnant woman is not eligible for FAMIS, FAMIS Plus, FAMIS MOMS, or Medicaid because I did not report truthful information or failed to report required changes in my family size or income, I may have to repay the monthly premiums paid to the MCO. I may have to repay these premiums even if no medical services were received during those months.
- I know that I must tell the local Department of Social Services within 10 calendar days if anything changes and is different than what I wrote on this application. We'll check your answers using information in our electronic databases and databases from the Internal Revenue Service (IRS), Social Security, the Department of Homeland Security, and/or a consumer reporting agency. If the information doesn't match, we may ask you to send us proof.

If anyone on this application is eligible for Medicaid

- I am giving to the Medicaid agency our rights to pursue and get any money from other health insurance, legal settlements, or other third parties. I am also giving to the Medicaid agency rights to pursue and get medical support from a spouse or parent.
- Does any child on this application have a parent living outside of the home? Yes No
- If yes, I know I will be asked to cooperate with the agency that collects medical support from an absent parent. If I think that cooperating to collect medical support will harm me or my children, I can tell Medicaid and I may not have to cooperate.

My right to appeal

If I think Medicaid, FAMIS or Plan First has made a mistake I can contact them at **www.coverva.org** or call **1-855-242-8282**. Instructions for filing an appeal will be included on my notice and are also available on the coverva.org website.

If I think the Health Insurance Marketplace has made a mistake, I can appeal its decision.
